

CASE STUDY: PORTFOLIO

NATIONWIDE RETAIL CHAIN

Through Op2mize Energy's strategic aggregation energy solution, and with no out-of-pocket costs, this national retailer with over 300 locations throughout the US was able to achieve:

- Consolidated billing for hundreds of locations
- Contract timing considerate of contracts yet-to-expire, ensuring optimal future aggregate pricing
- Estimated savings over the life of the contracts of \$415K
- Online and automatic bill pay
